

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Maryland and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local Board of Elections early every year and whenever you change your mailing address (see Chapter 2).

To register and request an absentee ballot, send a completed FPCA to the local Board of Elections so that it is postmarked not later than the 21st day before the next election (the date on which registration closes).

If you are already registered and only wish to request an absentee ballot, send a completed FPCA or other written correspondence to the local Board of Elections so that it arrives not later than the Tuesday before the election. Any written correspondence must contain your signature, your name and mailing address, any Maryland residential address and your date of birth, and must state that you may be absent from your Maryland county of residence on election day.

C. Casting Your Vote

Ballot Return Deadline: Make sure your voted ballot is postmarked not later than the day before the election. Your voted ballot must arrive at the local Board of Elections by U.S. Postal Service according to the following timetable:

- If mailed from within the U.S. - on or before 4 p.m. on the Wednesday after election day.
- If mailed from outside the U.S. for a gubernatorial primary - on or before 10 a.m. on the second Wednesday after election day.
- If mailed from outside the U.S. for a general or special election or for a Presidential primary - on or before 10 a.m. on the second Friday after election day.

Local election officials mail absentee ballots approximately 30 to 40 days before the election.

You must sign an oath stating your eligibility to vote by absentee ballot when you return a voted absentee ballot.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions below in F. and in Chapter 2, page 12.

Registration and voting materials need not be notarized or witnessed.

G. Application for Ballot by Proxy

Until the closing of the polls on election day, a registered voter or the voter's duly authorized agent may apply in person for an absentee ballot at the office of the local Board of Elections if the voter may be absent from the voter's Maryland county of residence on election day.

The application must be made under penalty of perjury and must specify the reason for absentee voting. A qualified applicant may designate an agent to pick up and deliver the absentee ballot. The agent:

III. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

A. Bars to Registration and Voting

The following persons may not register or vote:

- An individual who has been convicted of an infamous crime (any felony, treason, perjury, or any crime involving an element of deceit, fraud, or corruption) unless:
 - the individual has been pardoned, or
 - for a first conviction, the individual has completed the sentence imposed, or
 - for a second or later conviction, at least three years have passed since the individual completed the sentence imposed.
- An individual convicted more than once of a crime of violence (unless the individual has been pardoned)
- An individual under guardianship for mental disability
- An individual convicted of buying or selling votes

B. Statewide Voter Registration; Removal From Voter Rolls

Maryland voter registration applies statewide. It is not necessary for a voter who is registered in one Maryland county to re-register when the voter moves to a different Maryland county. However, it is the responsibility of the voter to notify Maryland of any change of address by the deadline to register to vote before an election. If it is apparent that a person has moved out of Maryland entirely, that person can be removed from the voter rolls for failing to provide a current address and then failing to vote in two general elections.

C. Action on FPCA Requests

Local boards of elections perform voter registration and absentee ballot processing. To register or request an absentee ballot, you should contact the board in your Maryland county of residence.

D. Action Upon Denial of Registration or Absentee Ballot Request

If a local Board of Elections denies your voter registration application or absentee ballot request, the local board will provide you with the reason(s) for the rejection. A person denied registration may appeal to the county circuit court. Consult a legal assistance officer or civilian counsel.
